

Count on Zantek for all of your IT needs

Zantek is a full-service IT provider. We specialize in business management software solutions, IT consulting, managed services, and hardware and software products for small and midsize businesses.

What sets us apart is a keen understanding of our clients' business issues and a passion for applying cutting-edge technology solutions.

We make IT easy

ENABLING BUSINESS

- Tailored ERP solutions that streamline operations and put critical business information at your fingertips.
- IT assessments, based on your business goals, provide recommendations in an easy-to-understand report.
- Quick issue response to minimize downtime.

EMPOWERING PEOPLE

- Zantek removes efficiency barriers so employees are more productive and happy.
- Let us handle all the complexities so you can focus on your core business.

ZANTEK SNAPSHOT

- Highly-qualified business and technology experts in Winnipeg (headquarters), Edmonton, and Calgary
- Strategic partnerships with industry leading suppliers, such as SAP®, Citrix®, Dell™, Microsoft®, Veeam®, and VMware® ([see more](#))
- Steady, profitable growth since Zantek was founded in 1993
- More than 150 satisfied clients in Western Canada

“*The network assessment report prepared by Zantek provided us with an excellent framework for establishing a detailed IT roadmap that's aligned with our business objectives. It's evident that Zantek put a lot of effort into the report and we are very pleased with the end results.*”

Paul Sheedy
Chief Operating Officer, Pitblado Law
